Download 2004-05 Concentrator File from eTIGER

Download 2004-2005 Concentrator File
- Logon to eTIGER.
- Click on Download File From State.
- The 2004-2005 Concentrator download file is listed as **FLW###follow0405.** (### indicates three digits of your system number)
- Select the 2004-2005 Concentrators download file and save the file onto your computer for follow-up survey activity.
- If you find duplicate concentration for a student, choose and survey only one area in which the student will most likely find professional employment.
- If you need to add a student to your follow-up data, survey that concentrator.

Entering Follow-up Survey Data File
- Logon to eTIGER
- Click on Follow-up Entry.
- Enter your concentrator data online for each concentrator. If you find duplicate concentration listed for a student, enter data according to the program area that the student was surveyed.
- If a student is not listed, add the student as needed.
- You should immediately see any data you entered in the student profile.
- Click on the Attest button.
